BULK PRODUCT GUIDE

Compost made from locally recycled garden prunings, food products, and vegetable trimmings

Product	Ingredients	Benefits
Compost	100% Finished Compost	Adds key nutrients for plant health and vitality. Mix with existing soil to enhance growth, water retention and soil aeration. Breaks up hard clay soil. Use as mulch for landscape beds
3-Way Topsoil	Sandy Loam + Compost	Perfect for leveling or filling. Used for general landscape applications
Winter Mix	Sandy Loam + Sand + Compost	Used for general landscape applications with added drainage. Improved workability in the wet season
Vegetable Garden Mix	Sandy Loam + Sand + Compost	Ideal for building new raised beds or provides increased nutrients for flower gardens
2-Way Topsoil	Sand + Compost	Great for turf top dressing and spot seeding
60/40 Lawn Mix	Sand + Compost	Perfect for new lawn installation and helping with problem wet areas
80/20 Topdress	Sand + Compost	Ultra-fast draining for areas with poor drainage. Golf course type topdressing for existing lawns
Booster Blend	Compost + Dairy Manure	Soil amendment used to promote overall plant growth. Great for vegetable gardens
Pro Mulch	Compost + Ground Natural Wood Product	Fine texture, dark in color. Adds nutrients to the soil while minimizing weed growth
Landscape Mulch	Compost + Ground Natural Wood Product + Bark	Medium-fine texture, dark, rich-colored mulch that adds nutrients to the soil while minimizing weed growth
Ground Wood Mulch	Ground Natural Wood Product	Medium texture, natural wood-colored mulch that helps minimize weed growth
Arbor Mulch	Chipped Trees & Branches	Coarser chipped trees and branches. Helps minimize weed growth
Bark	Hemlock Fir Bark	Medium bark to help minimize weed growth. <i>*Does not add nutrients back to the soil</i>
Bioretention Soil	Spec Aggregate + Compost	Filters runoff and allows for controlled infiltration in rain gardens and bioretention swales
Construction Sand	Coarse Sand	Coarse, washed sand for filling and drainage
5/8 Minus	5/8" Crushed Rock	Ideal for high traffic areas like driveways and pathways
1.5" Drain Rock	1.5" Round Gravel	Used decoratively or for covering drain piping
Pea Gravel*	3/8" - 1/4" Round Rock	Smooth, decorative round rock

*Products not stocked at all locations, call ahead for availability.
